Newton Centre, June 30, 1837.

Rev. A. A. Phelps;

Dear Sir, Yours of the 27th inst. was duly received. In reply to it allow me to say, that after mature deliberation we are satisfied that the position we have taken is the right one. As soon as we receive proper assurances that Clarissa is to remain in this part of the country, we will ~~send~~ send for Abram.

Respectfully Yours, H. J. Ripley.)
